

BUSINESS ALABAMA

LEGAL ELITE 2025

Most businesses, at some point, will have need of an attorney. Whether to help with a merger or acquisition, to protect its property or to develop an employee handbook, knowing an attorney with experience in the needed field can make any legal process go much more smoothly.

Business Alabama teamed up with DataJoe Research, of Colorado, to create our inaugural Legal Elite list – where peers nominated attorneys for their expertise in a specific legal area. DataJoe then conducted a confirmation process to finalize our 2025 Legal Elite listing.

Attorneys who made the list are noted in 43 specialties in alphabetical order.

Firms that supported this section have their attorneys highlighted in red.

Congrats to our 2025 *Business Alabama* Legal Elite!

This honor reflects the caliber of talent that defines Adams & Reese attorneys and government relations advisors, who don't just practice law, but help shape the business and policy landscape across the region.

At Adams & Reese, our strength lies in more than legal skill. Our deep relationships in business and government, seamless collaboration across teams and practice areas, and strategic presence in key markets make us the firm clients turn to—and where top legal minds thrive.

The law firm of **Marsh, Rickard & Bryan (MRB)** is very proud to have nine* of its lawyers recognized in Business Alabama's 2025 Legal Elite

For nearly thirty years, MRB law firm has handled serious cases involving permanent injury, wrongful death, and certain fraud and complex business litigation cases. The firm handles cases involving defective products, trucking and auto collisions, medical negligence, worksite and construction incidents, and many others.

MRB is a client-focused firm, helping people who have been seriously injured or the family members of someone who has been killed due to no fault of their own, obtain justice and fair compensation.

Based in Birmingham, the firm was founded by David Marsh, Jeff Rickard and the late Nat Bryan. The firm has handled cases in all of Alabama's counties (and surrounding States) and is widely recognized as one of the premier litigation firms in the Southeast, comprised of trial lawyers who know how to try cases in court.

MRB has obtained the highest jury verdict in a single incident or death case in numerous Alabama counties, including many venues where such verdicts had never occurred. MRB regularly resolves cases in the seven-figure and eight-figure range.

Most cases come to MRB from referring attorneys or others who know the firm. If you have a potential case, you can contact the firm at 205-879-1981 or visit their website at www.mrbllaw.com.

*David Marsh, Jeff Rickard, Rip Andrews, Derrick Mills, Ty Brown, Richard Riley, Dylan Marsh, J.D. Marsh, and Jane Mauzy.
