

At some point, most businesses will have need of an attorney. Whether to help with a merger or acquisition, to protect its property or to develop an employee handbook, knowing an attorney with experience in the needed field can make any legal process go much more smoothly.

Last year, Business Alabama teamed up with DataJoe Research, of Colorado, to create our inaugural Legal Elite list – where peers nominated attorneys for their expertise in a specific legal area. This year, DataJoe conducted a confirmation process to finalize our 2026 Legal Elite listing.

Attorneys who made the list are noted in 40 specialties in alphabetical order.

Attorneys who are affiliated with firms that supported this section are highlighted in red.

LEGAL ELITE 2026

BUSINESS ALABAMA'S 2026 LEGAL ELITE

Four of Alabama's Finest. One Firm.

We're proud to congratulate the Jinks Crow attorneys selected by their peers for inclusion in
Business Alabama's 2026 Legal Elite.

TRIAL LAWYERS

CONGRATULATIONS, LEON ASHFORD

BUSINESS ALABAMA LEGAL ELITE • MEDICAL MALPRACTICE • PLAINTIFF

Leon has spent his career fighting for patients who were failed by the people trusted to care for them. This recognition by his peers reflects what he brings to every case.

Hare Wynn has stood with Alabama families facing life's most devastating moments since 1890. Our clients come to us with cases other firms shy away from because the medical questions are too complicated, the legal questions too complex, or the stakes too high. We take them on anyway. With more than \$6 billion in settlements and verdicts secured since 2008, we know how to fight tough cases and win.

WINNING NEVER GETS OLD.

HARE WYNN | 205-328-5330 | HWNN.COM | BIRMINGHAM, ALABAMA

■ Firm is Sponsor of Section

The law firm of **Marsh, Rickard & Bryan (MRB)** is very proud to have four* of its lawyers recognized in Business Alabama's 2026 Legal Elite

For thirty years, MRB law firm has handled serious cases involving permanent injury, wrongful death, and certain fraud and complex business litigation cases. The firm handles cases involving defective products, trucking and auto collisions, medical negligence, worksite and construction incidents, and many others.

MRB is a client-focused firm, helping people who have been seriously injured or the family members of someone who has been killed obtain justice and fair compensation.

Based in Birmingham, the firm was founded by David Marsh, Jeff Rickard and the late Nat Bryan. The firm has handled cases in all of Alabama's counties (and surrounding States) and is widely recognized as one of the premier litigation firms in the Southeast, comprised of trial lawyers who know how to try cases in court.

MRB has obtained the highest jury verdict in a single incident or death case in numerous Alabama counties, including many venues where such verdicts had never occurred. MRB regularly resolves cases in the seven-figure and eight-figure range.

Most cases come to MRB from referring attorneys or others who know the firm. If you have a potential case, you can contact the firm at 205-879-1981 or visit their website at www.mrblaw.com.

David Marsh*, Jeff Rickard*, Rip Andrews, Derrick Mills*, Ben Ford, Ty Brown*, Richard Riley, Dylan Marsh, J.D. Marsh, Jane Mauzy, Joseph Callaway, Gianna Mandich and John Collier.
